- SQL
- Data Collection & Management
- Tableau
- Excel
- Data Visualisation
- Data Cleaning
- Data Modeling
- DAX
- Power Query
- Business Intelligence
- Dashboard Development
- Data Analytics
- Business Insights
- Data Storytelling
- Statistical Analysis
- Data Transformation
- KPI Reporting
- Business Analysis
- Problem Solving and Communication Skills

Education

Master's Degree in Computer Applications

July 2011 – June 2014

- Banasthali University

Bachelor's Degree in Computer Applications

July 2008 – June 2011

- Banasthali University

Data Analytics Projects -

- **Student AI Impact Analysis:** Studied AI adoption effects on GPA, productivity, career confidence, and ethical concerns; identified patterns in academic outcomes and student behavior.
- **Budget vs Sales Dashboard:** Built interactive KPI-driven Power BI dashboards to track sales vs budget performance across dimensions.
- **HR Attrition Dashboard:** Analyzed workforce demographics, retention, attrition, and job satisfaction trends.
- **Hotel Revenue Dashboard:** Monitored occupancy, booking trends, and revenue performance for business planning.
- **Amazon Sales Report:** Created data models and visualizations to analyze sales by geography, category, and shipping mode.
- **Laptop Market Analysis:** Used Tableau to evaluate pricing trends by product specifications and brand through interactive dashboards.
- **Global Superstore Analysis:** Built Tableau dashboards to evaluate sales performance, profitability, customer segments, and return orders.
- **SQL Sales Analysis:** Performed joins, subqueries, and aggregate-based reporting for customer and sales insights.

Previous Work Experience -

- **Dotsquares, QA Engineer | Jun 2021 - Jul 2022**
Tested Salesforce and web applications, maintained test cases, reported quality metrics, and supported Agile delivery.
- **Earlier QA Roles | Feb 2016 – Jan 2021**
Worked across functional testing, UAT, SIT, defect management, documentation, and cross-functional collaboration.

Certifications and Achievements -

- Data and Business Analytics Master Training
- ISTQB
- Salesforce Administrator
- Best Employer Award (2018)
- Dotsquares Client Appreciation (2022)

Virtual Internships and Learnings -

- Data Analytics Corporate Training Program from Techtip24
